## Roads Renewed

Little by little we are winning the battle to restore Guildford's roads to the quality that we should expect and deserve.

There is very good news for our area, as we have managed to get a good number of roads on to the resurfacing programme for the year. These include:

**Chertsey Street**

**North Street**

**Market Street**

**Abbots Wood**

**Tormead Road**

**Denmark Road**

**The junction between Sydenham Road,  
Tunsgate and South Hill**

Pavements are being improved too:

**Along Bridge Street between the station  
and the town centre.**

**Along Sydenham Road**

**Along the Epsom Road from the top of the  
high Street to the start of Warren Road**

## Roadworks Reviewed

Surrey is trying to find ways to stop the delays and waste caused by utilities roadworks, particularly when newly resurfaced roads are dug up soon after being completed. A task group has been set up to put forward recommendations to improve the situation.

As part of its work, the task group wants to hear from residents, businesses and anyone else affected by the issue. To give your views, email [streetworksreview@surreycc.gov.uk](mailto:streetworksreview@surreycc.gov.uk), or write to *Streetworks Review, Democratic Services, Room 122, County Hall, Penrhyn Road, KT1 2DW*

## Boxgrove School

The proposal for an expansion of Boxgrove School was granted Planning Permission over the summer.

The scheme will provide some great new facilities for the school and community, add new classrooms, a new hall and new sports fields on the grounds of the old derelict school adjacent to the site.

**Left: Tormead Road as it is now - I look forward to seeing it resurfaced soon**
