MARK BRETT-WARBURTON THE LOCAL CHOICE FOR GUILDFORD SOUTH EAST

YOUR PRIORITIES ARE MY PRIORITIES

Mark Brett Warburton was elected as the County Councillor for Guildford South East in 2009. He was actively involved in changing Surrey County Council's highways contractors, delivering a better service for Surrey residents. Mark has been Chairman of the SCC Guildford Local Committee for three years and vice-Chairman of the Environment & Transport Select Committee, as well as looking after the interests of local residents at County Hall.

He first moved to Guildford 38 years ago, and now lives near the town centre, not far from the High Street. Mark is an architect, working locally and overseas before setting up his own practice nine years ago.

Guildford South East is an area of Guildford with a distinct and special character created by the quite different sizes and types of property that make up the fabric

of Holy Trinity and Christchurch wards, ranging from busy town centre to fairly isolated rural properties.

Mark is committed to preserving the feeling of this area as a place to live for its residents. Over the past four years as County Councillor for the area he has tried to improve the physical environment and general quality-of-life for its residents by organising for roads and pavements to be resurfaced.

MAKING A BETTER PLACE TO LIVE

Since he was elected as County Councillor in 2009, Mark Brett-Warburton has sought to improve the quality of life for residents in Guildford South East.

Mark says: "Working to find opportunities to improve our way of life in Guildford, I have looked to support a broad range of initiatives.

These include supporting community activities,

upgrading the physical environment and improving the services which matter most to you, such as Surrey's winter response, which has improved each year since 2009."

FIGHTING FOR BETTER ROADS Mark's commitment

When I first became a County Councillor in 2009 my objective was to improve our roads.

I joined the Task Group at County Hall that replaced the old highways maintenance contract with one that delivered better value for residents.

Once this was achieved I set about finding ways to improve the roads and

pavements in our area.

Through determined action, the two worst roads in Guildford South East Division, Tormead Road and East Shalford Lane, will be resurfaced amongst other roads, including Abbotswood, Sydney Road, Denmark Road, North Street, Chertsey Street and Market Street. I will work hard to have more roads in our area resurfaced.

Mark is FROM the community, FOR the community.

BRINGING THE OLYMPICS TO SURREY

Conservative-led Surrey County Council worked to get the most out of the Olympics. Local businesses benefited from £800 million of contracts.
