TONY FIGHTS TO FIX FLOODING ISSUES

It never rains but it pours! Our area seems to suffer nowadays from downpours and resulting floods in homes and across the road. Clearly, more needs to be done to curb the danger and damage.

Tony Rooth said: "Anne Milton chairs an active flood forum for Seale and Sands — often held at Farnham Golf Club which suffers with its neighbours — where I play an active part in finding solutions together with representatives of Surrey County Council and Environment Agency.

"I am also involved with plans to improve drainage and sewage in Shackleford and Puttenham."

ABOUT TONY

Tony has lived in Guildford for 30 years, 14 of them in Shackleford in the Pilgrims ward.

During that time, he has been Leader of Guildford Council and has represented us in Guildford since 2003.

An avid campaigner, Tony has been instrumental in improving the environment of the Hog's Back lay-by and was involved in obtaining better play areas in Shackleford.

He has also helped at Wanborough Barns to forge new arrangements that benefit both the organisation and community.

TONY CLEANING UP

Pilgrims Conservative candidate **Tony Rooth** has led a campaign to clear litter away from the A3 and Hog's Back running through the area.

Unightly rubbish is a scar on the natural beauty of the area and Tony has been at the front of efforts to get authorities to act. "I am firmly committed to our beautiful green

space," said Tony. "There is little point safeguarding our green areas only for them to be sullied by the scourge of litter thrown from vehicles or dumped on the road.

"If I am re-elected, I will continue to tackle this problem until our green and pleasant land is spotless."
