SURREY COUNTY COUNCIL CONSERVATIVES

SAFE AND STRONG IN TOUGH TIMES

In the last four years Conservative run Surrey County Council has delivered top quality services and value for money. That's why IESE declared the County to be "Council of the Year 2012". By caring for the vulnerable, producing great schools and investing in superfast broadband, better roads and more apprenticeships, we will keep Surrey as the best place in the country to live and work.

SUPERFAST BROADBAND

We are committed to helping Surrey businesses to grow and create jobs.

We signed a £33 million deal to bring superfast broadband to nearly every household and business.

CARING FOR THE ELDERLY AND VULNERABLE

Our award winning Adult Social Care team is caring for record numbers of elderly and vulnerable people. With our GPs we are focusing on improving the health and well-being of all our residents.

Surrey's Children's Service has been turned around with a clean bill of health from Ofsted. At risk children are responded to quickly and effectively.

GREAT SCHOOLS FOR OUR CHILDREN

Surrey County Council Schools are some of the best in the nation with 63% of pupils gaining 5 good GCSEs.

We are working to provide a quality school or college place for every child with the biggest school building programme in Surrey's history.

APPRENTICESHIPS

Surrey is one of the engines of the UK economy, but it's a difficult time for young people looking for work.

We are investing in Surrey's youngsters by driving forward an apprenticeship programme with 500 places.

5 MORE PRIORITIES !

- **Value for Money** We have held Council Tax rates at less than inflation and will continue to deliver value.
- **Roads and street lights** We are investing record amounts in improving Surrey's road network and are replacing every street light in Surrey with a more efficient one.
- **Innovation** We will find new and innovative ways of maximising value from our assets and resources.
- **Driving sustainable growth** By extending broadband coverage, training more apprentices and building on the tourism impact of the Olympic events we will help create growth and jobs.
- **Protecting our Environment** We have delivered new and improved waste & recycling facilities across Surrey and will continue to protect our countryside.

STAYING SAFE

We are working with Surrey Police and the new Police Commissioner to cut crime and anti-social behaviour.

Surrey has an excellent Fire & Rescue Service. We've given our fire fighters the latest and most up to date equipment.

A RECORD OF ACTION, A PROMISE OF MORE
