

# Adrian Chandler The effective, local choice for Guildford West

## About Adrian

**Adrian Chandler is your hardworking and experienced candidate for Guildford West. He has spent six years as a Councillor and in that time achieved a great deal for everyone.**

Adrian is currently a Guildford Borough Councillor for the Onslow Ward and was first elected in 2011 and re-elected in 2015 with the highest vote of any candidate in the ward. Part of The Onslow ward is in the Guildford West division.

He has served on the planning committee and the Corporate Governance Committee and chaired the Customer and Community Scrutiny Committee.

Following changes to governance at the start of last year, he now chairs the Society, Environment and Council Executive Advisory Board which helps shape council policy and sit on a reconstituted Overview and Scrutiny committee.

In Onslow, he managed to secure funding for a new playground, which is proving extremely popular with residents and he has helped shaped the controlled parking

zone extensions for the ward. He helped residents present a petition to the Local Committee for changes to their parking area and in another area to develop changes to their parking restrictions.

Adrian has also helped tackle congestion at the roundabout near the Holiday Inn by getting Keep Clear signs placed on the road.

If elected as your County Councillor, Adrian would be in a position to work closely with both Councils to get the results residents deserve in Guildford West. He hopes that you can support him on 4 May.

## Adrian's work in Ashenden

Adrian has spent a lot of time working with Ashenden Residents to bring improvements to their area as part of his Borough Council role.

This ranged from cutting back foliage and tidying up ingress into the roads, resurfacing pavements where areas were raised by tree roots and helping with the allocation of money to improve drainage.

One problem that frustrated Adrian and persuaded him to stand for Surrey

County Council was that the County Council has not seen fit to fix a depression in the footpath by the exit from Tescos into Beech Grove which fills with water and is a hazard to people with buggies and mobility Vehicles.

Adrian said: "This is one item I want to see fixed as early as possible. There is clearly a great inconvenience here at best to residents and works like this can make all the difference."

## My six-point plan for Guildford West

**1 Tackling anti-social parking in Onslow, Westborough and Park-Barn** Adrian has already helped residents in Onslow present a petition to Local Committee in his capacity as Borough Councillor.

**2 Improving our roads and pavements** Adrian felt it was very unfair for some roads to be removed from Project Horizon and will press to have these resurfaced quickly.

**3 Improving Public Transport** Adrian is championing the development of a station at Park Barn and will support all measures to make transport easier including more platforms at the main line station and a new station at Merrow.

**4 Improving the A3** Adrian feels the A3 is responsible for a lot of transport problems and will

Adrian wants to work on improving pavements for all residents

press to have this placed in a tunnel.

**5 Support the police** Adrian feels the police do a vital role and supports measures to make law enforcement more visible within the community.

**6 Supporting our voluntary organisations** Adrian feels these are the glue that helps keep society together.
