## Guildford, Cranleigh and our Villages

### STANDING WITH THERESA MAY

#### A STRONG VOICE

My background is very much at the heart of all that guides me in politics. I trained as a nurse and worked in the NHS for 25 years. I went into politics because I believe we need politicians with front line experience of our public services. It has been a hugely rewarding part of my job as MP to work with you and help you. Whether it is help with benefits or housing, making sure small businesses get heard in government or getting support for children with special needs, I will always work to get the help you need. If re-elected I will continue to make sure our voice in Cranleigh and Guildford is heard loud and clear.

#### FIGHTING FOR US

Whether it's visiting schools, helping charities raise funds or lobbying on behalf of voluntary groups, I always put our community at the heart of my work. Getting money for roads, better cycling routes, flood prevention or fighting to protect our green spaces, I can turn my hand to any challenge we face!

As we negotiate Brexit, I will make sure the needs of business, the University and in particular the care sector and the NHS, are paramount. Leaving the EU must not create barriers that prevent us from flourishing economically or socially or being able to deliver the public services we all need. We must continue to look outward with respect to business, the environment and security. In Guildford, research and technology are a major focus and I will always work hard to protect what matters to us in Guildford and Cranleigh.

## Rt. Hon THERESA MAY

Prime Minister

### MAKING BREXIT A SUCCESS IS CENTRAL TO OUR NATIONAL INTEREST

As a nation, we face the most important period in our lifetime. Making Brexit a success is central to our national interest – and it is central to your own security and prosperity.

So as Prime Minister, I have ensured that my Government has clearly set out our approach to Brexit through:

- **My Lancaster House Speech** setting out our 12-point plan for Brexit
- **The Government's Official White Paper** on exiting the EU
- **The UK's Article 50 Letter to the President of the European Council**
- **The Great Repeal Bill** to ensure a smooth and orderly Brexit

### WITH A STRONG NEGOTIATING HAND I CAN DELIVER FOR YOU AND FOR BRITAIN

By going to Brussels with a strong negotiating hand, I can ensure we guarantee our economic security and deliver my Plan for a Stronger Britain that will:

- **Establish Britain as the strongest country in Europe, in economic growth and national security.** We will negotiate a deep and special partnership with our European neighbours. We will strike export deals for British goods and services. And we will lead the world in preventing terrorism and fighting modern slavery.

- **Build a stronger economy that rewards people who work hard and creates secure and well-paid jobs.** We will make sure there is growth and prosperity around the whole country.
- **Provide real opportunity and support for all.** We will give everyone a chance to get on in life, by building enough affordable housing and making sure there is a good school place for every child. And our strong economy will pay for a strong NHS.
- **Build a more secure and united nation** by taking action against the extremists who try to divide our society and standing up to the separatists who want to break up our country.

### WITH YOUR HELP – AND YOUR VOTE FOR MY LOCAL CANDIDATE – TOGETHER WE CAN GET BREXIT RIGHT AND SECURE OUR ECONOMIC FUTURE

The only way you can back me to ensure we get Brexit right is by voting for my candidate in your local constituency.

It's important to remember that a vote for anyone other than my local candidate risks Jeremy Corbyn becoming Prime Minister of a shambolic coalition government.

So back me by giving my local candidate your support on 8th June. We are standing to secure a strong and stable government for our country that will deliver the best Brexit deal for you, and economic security for Britain.
