

CHRIS VARVERIS

The local choice for Guildford West

Surrey County Council elections: THURSDAY 2ND MAY

CHRIS VARVERIS THE LOCAL CHOICE FOR GUILDFORD WEST

YOUR PRIORITIES ARE MY PRIORITIES

I am currently studying an MSc in Banking and Finance at the University of Surrey. I have always been interested in politics because I consider it a means to improve the world around us and give something back to society.

The UK for me is a beacon of values and culture that has a lot to offer the world. Ever since I was 12 I knew that Britain would be my home. The natural beauty, the values, principles and ideas of this country and its people make it unique and a great place to raise a family. In an ever changing world we ought to protect what makes Britain great and I aspire to serve Britain to the best of my ability.

When I first moved to the UK from Greece, I lived in Guildford West, this year I moved back and yet I still see some of the problems of the past lingering on and in some cases deteriorating. The Egerton Road roundabout has been

Chris Varveris with Guildford's MP, Anne Milton.

remodelled and provides safety and eases traffic, however the road network in Park Barn and its surrounding areas is still in a dire condition.

Anti-social behaviour is an important issue to consider along with investment in local community projects and primarily in education.

Personally I aim to improve roads across the area, increase security and engagement with local communities and represent my community to the best of my ability.

ROAD SAFETY IMPROVEMENTS

Chris Varveris is committed to supporting improvements to Guildford's roads and road safety.

Chris says: "Recently Surrey County Council, working with the University of Surrey, remodelled an important part of Egerton Road and increased its safety and reduced congestion.

As a pedestrian it is

remarkable to finally be able to cross the road without fear of incoming traffic.

I would like to represent my community and bring more improvements like this to our area including sorting out the potholes on our roads."

Right: Chris is committed to securing improvements to local roads.

TACKLING ANTI-SOCIAL BEHAVIOUR Working in partnership

One of Chris Varveris' priorities is tackling anti-social behaviour by working with other key stakeholders in the community.

Chris says: "I have friends who have been affected by anti social behaviour in our area and I aspire to work with the Police, Guildford Borough Council and the local community on initiatives to drive out anti-

social behaviour.

As a young person, I hope to bring new ideas and a fresh perspective to this problem and build upon what has already been done by the local authorities and the community.

If elected Chris will work with the Police to reduce anti-social behaviour.

BRINGING THE OLYMPICS TO SURREY

Conservative-led Surrey County Council worked to get the most out of the Olympics. Local businesses benefited from £800 million of contracts.
